Mirrors manufactured by Dubiel Vitrum can be bought already in 18 countries around the world. The largest receivers are European countries but the mirrors of Poland's biggest mirror producer also reach such exotic places as Australia, Qatar or Suriname.

The year 2013 brought about a very strong export development. Sales to European Union countries, where Dubiel Vitrum acquired solid and reliable trading partners, increased considerably. Buyers from such interesting markets as Russia, Australia or Qatar also decided to work with Dubiel Vitrum. During 2013 the DV mirrors reached 18 countries in total: Russia, Romania, England, Germany, Czech Republic, Malta, Suriname, Ireland, Slovakia, Lithuania, Croatia, Qatar, Australia, France, Denmark, Moldova, Italy, and the Netherlands.
